Charitable Giving Resource Guide

KNOW YOUR CHARITY.

All charities have a specific charitable mission and provide programs and services to carry out that mission. Choose a charity with a mission that matches your own passions - a charity that can point to specific goals and programs it is sponsoring to fulfill its stated mission.

INCLUSION IN THE SECC.

In order to be included in the SECC, each charity must represent at least 10 member agencies and submit a current license to solicit/registration or exemption letter, an audit report or copy of IRS Form 990, 501(c)(3) determination letter and a signed copy of the SECC non-discrimination policy. Participating organizations must carry out a bona fide program of charitable services for health and/or welfare. Visit www.MISECC.org for more information.

DO YOUR RESEARCH.

Charities that participate in the SECC can be found at http://www.misecc.org/charity_listings.html. These listings include contact information, website address and a 25-word statement. As a donor, it is smart to gather as much information as possible about your charity so you can make an informed decision about giving. Because administrative, fundraising and processing fees vary by charity, you may want to ask the charity what percentage of your donation will directly support programming so you understand how your money will be used.

SECTION C. Contribution by Check or Credit Card - This section is to be used to designate a contribution by check or credit card.

- Checks must be made payable to the specific organization you choose, **not SECC**.
- To make a contribution by credit card, please indicate credit card type (MC, Visa, American Express, or Discover), account number, expiration date, and billing address of the credit card. In order to ensure confidentiality, please return the contribution form with your credit card information directly to: Michigan Association of United Ways, Campaign Manager/Fiscal Agent, 330 Marshall Street, Suite 211, Lansing, MI 48912.
- Proceed to Sections D, E, and F.

SECTION D. Contribution Designation - This section is used to designate the organization or agency to which your contributions will be donated. There are several ways to allocate your contribution(s). The SECC Information and Code Directory lists all of the Umbrella Organizations (United Ways and Federations) and their Member Agencies that are participating in this year's campaign. Each Umbrella Organization is identified by a four-character alpha-numeric code (beginning with either T or U) in the Directory. Specific Member Agencies are identified by a four-digit numeric code. If you would like to:

1. Donate to an Umbrella Organization only (Donations will be used to fund a variety of local charitable programs and member agencies.)

- Locate the Umbrella Organization of your choice in the Code Directory (the Directory also includes an index by county).
- Enter the Umbrella Organization Code and total biweekly amount (or total contribution amount if making a one-time contribution) in the Umbrella Organization box.
- Repeat the above two steps if more than one new Umbrella Organization Code is desired.
- Proceed to the appropriate section as described in Section A.

2. Donate to a specific Member Agency only (Donations will be used to fund programs of the specified member agency.)

- Locate the Umbrella Organization that your Member Agency falls under in the Code Directory.
- Enter the Umbrella Organization Code and total biweekly amount (or total contribution amount if making a one-time contribution) in the Umbrella Organization box.
- Enter the Member Agency Code and the biweekly amount (or total amount if making a one-time contribution) in the Member Agency box. Repeat if more than one Member Agency Code is desired under the same Umbrella Organization Code (maximum of eight). Your total contribution to Member Agencies may not exceed the total biweekly amount entered in the Umbrella Organization amount box.

Example (in this example, the employee is contributing \$10.00 to Member Agency 1234, \$12.00 to Member Agency 2341, and \$8.00 to Member Agency 3412):

Umbrella Organization	Organization Code	Total Amount	Member Agency	Member Agency Code	Amount	Member Agency Code	Amount	Member Agency Code	Amount
	T999	\$ 30.00		1234	\$ 10.00	2341	\$ 12.00	3412	\$ 8.00

3. Donate to an Umbrella Organization and a specific Member Agency

- If you would like to donate to a specific Member Agency under a different Umbrella Organization, repeat the above steps on the next contribution designation line.
- Proceed to appropriate section as described in Section A.
- Locate the Umbrella Organization of your choice in the Code Directory (the directory also includes an index by county).
- Enter the Umbrella Organization Code and **total** biweekly amount (or total contribution amount if making a one-time contribution) you will be giving to all organizations and agencies in the Umbrella Organization box.
- Enter the Member Agency Code and the biweekly amount (or total amount if making a one-time contribution) for the specified agency in the Member Agency box.
- Repeat the above two steps if more than one new Umbrella Organization Code is desired. The amount not designated to a Member Agency will remain with the Umbrella Organization indicated. Your total contribution to Member Agencies may not exceed the total bi-weekly amount entered in the Umbrella Organization amount box.

Example (in this example, the employee is contributing \$20.00 to Umbrella Organization T999, \$10.00 to Member Agency 5432, and \$10.00 to Member Agency 5234):

Umbrella Organization	Organization Code	Total Amount	Member Agency	Member Agency Code	Amount	Member Agency Code	Amount	Member Agency Code	Amount
	T999	\$ 40.00		5432	\$ 10.00	5234	\$ 10.00		

- Proceed to the appropriate section as described in Section A.
