File: TQ 14739

Thank you for submitting information regarding [REDACTED] Home Care, Inc. We have reviewed the information and have made a determination regarding the status of this organization under Michigan's Charitable Organizations and Solicitations Act, 1975 PA 169, as amended, and the Supervision of Trustees for Charitable-Purposes Act, 196 PA 101. We have based our determination on evidence you provided that this organization is included in the Official Catholic Directory and, as such, is an integral part of the Catholic Church in the U.S.A. and is subject to the oversight of the Catholic Church.

Based on representations described above, we have determined that your organization is exempt from both licensing and registering with our office. The Attorney General solicitation license is entirely separate from any licenses required by the Bureau of State Lottery. Please also note that all professional fund raisers, including fund raising consultants used by your organization must be licensed with our office. Enclosed are materials for your review.

If we have in any way misinterpreted the information provided, please notify our office. If the organization is no longer included as an organization recognized and accepted by the Catholic Church, then also notify us, since a change in determination may be required.

Very truly yours,
