

2017-2018 Michigan State Employees Charitable Campaign																									
Charity Application Worksheet																									
By submitting this application you certify that your umbrella organization and each member charity is aware of and will adhere to the conditions of the SECC Policies set forth by the SECC Steering Committee.																									
The SECC Steering Committee will review this application for accuracy and compliance with eligibility requirements. The SECC may request a copy of any and all documents identified in this application at any time.																									
Failure to comply with a request, or false certification by the applicant, may result in exclusion from the SECC.
