WHAT IS THE MICHIGAN SECC?

The State Employees Charitable Campaign was created to combine all charitable appeals and fundraising drives into one annual event. The active solicitation period offers State of Michigan employees the opportunity to give through bi-weekly payroll deduction or one-time gifts to the charities of their choice.

- Reduces confusion and workplace disruption
- Ease of giving
- Information and education about charitable giving available to donors
- Easy access to charitable organizations throughout the state, nation, and world
- Builds department pride, sense of engagement and morale
- Continued opportunities for State of Michigan Retirees

Benefits to Volunteers

- Increases knowledge of health, human services, community and environmental needs and how charitable organizations work to address these needs
- Increases knowledge of Michigan SECC history and structure
- Increases interaction with fellow active state employees and retirees
- Builds relationships and a sense of shared goals throughout the state through the tradition of giving

Benefits to Umbrella Organizations and Member Charities

- Provides help from community members to solve critical problems
- Builds long-lasting relationships and interactions with State of Michigan employees and retirees
- Raises awareness, donor dollars, volunteer hours, advocacy and interaction for community needs
- Helps the organization decrease fundraising costs and streamline processes so that a greater percentage of the gift goes directly to programs for individuals being served

CAMPAIGN GOALS

- To increase awareness, engagement and understanding of the State Employees Charitable Campaign.
- To engage new donors in both active state employment and retirees.
- To establish and maintain relationships with state employees that will foster engagement on an annual basis.

HISTORICAL INFORMATION

- In 1987, the State Administrative Board adopted a combined campaign to provide State of Michigan employees with an opportunity to continue their generous commitment to charitable organizations through one consolidated campaign.
- Since its inception, state employees have raised almost \$50 million through the SECC.
- In 2001, with the occurrence of 9/11, the SECC realized its largest amount of contributions of approximately \$2.4 million.
- Administrative costs for the SECC efforts are consistently under 10%. (National average is 10% to 50%.) NO STATE FUNDS ARE USED!

SECC CAMPAIGN STRUCTURE

The Michigan SECC uses a campaign structure that brings groups of organizations together to collaboratively campaign on behalf of a variety of groups and causes. This is called a "Federated" or "Umbrella" campaign structure. This is a great way to campaign because it keeps costs low, shares best practices and ensures that there is equal opportunity to participate regardless of an organization's size or location. SECC recognizes that employees are a diverse donor base committed to choice and integrity.

Keep in mind, "partnership" does not mean "ownership". By design, this is a true collaboration and SECC does not "belong" to any one of these individual Federations, United Ways, or participant charities. The State Employees Charitable Campaign belongs to you, the state employee!

SECC OVERSIGHT

The Michigan SECC is currently administered by a Steering Committee comprised of state employees from the following areas: Technology, Management and Budget, Civil Service Commission, Office of the State Employer, Health and Human Services, Military and Veterans Affairs, Michigan State Housing and Development Authority, Treasury, a Labor organization and the most recent past state campaign coordinator. The Steering Committee administers the campaign through subcommittees of state employees and United Way and Federation partners throughout the state. These committees have been charged with maintenance of policy, procedure and programming specifically designed by state employees.

SECC LEADERSHIP

Annually, a Department or Agency Director is appointed to serve as Campaign Chair. This position plays a key role in:

- Enlisting support of Department Directors throughout state government
- Providing status reports to the Governor and Cabinet
- Participating in key Campaign events and authoring/delivering mass communications

State Campaign Coordinator

Christyn Herman, Communications Representative

Department of Technology, Management & Budget

The State Campaign Coordinator is appointed by the Campaign Chair to assist with day-to-day activities related to the campaign. The duties include:

- Serves as liaison between Campaign Steering Committee and Chair
- Serves as liaison to Department Coordinators on all aspects of campaign management
- Organizes meetings of Department Coordinators on a periodic basis
- Serves as contact/clearinghouse for issues and problems
- Serves as a member of the Steering Committee for a one-year appointment
- Serves as state point person on training
- Serves as Steering Committee representative on the Marketing/Training subcommittees

Steering Committee

The Steering Committee governs the campaign through policy and procedure and delegates campaign processes and administration to a Statewide Campaign Coordinator, Sub-Committees and the Fiscal Agent/Campaign Director. For a complete list of Steering Committee members visit www.misecc.org.

Fiscal Agent

Heather S. Travis, Michigan Association of United Ways

The Fiscal Agent is a contractual service provider selected by the SECC Steering Committee through a competitive proposal process. The Fiscal Agent works under the direction of the SECC Steering Committee and assists with the planning, creation, and execution of all campaign events, marketing and promotional materials, communications and recognition items.

Department Coordinator

Each department appoints a state employee who coordinates the SECC activities within their agency or department. The duties include:

- Develop a plan to motivate workers and employees
- Keep people informed and employ a system to complete Campaign work
- Thank volunteers and donors

The following steps will help Department Coordinators have a successful campaign:

1. Consult with last year's Department Coordinator for assistance with analysis, problem areas, issues raised, etc.
2. Recruit a diverse team of Volunteers who are committed to the SECC. Department Coordinators work with their leadership to recruit a Volunteer team to help with campaign activities. The number of employees at each worksite determines the number of Volunteers needed within each Department. Large Departments, those with multiple worksites and/or out-state worksites, will likely need a different Volunteer configuration than smaller Departments housed in a central location.
3. Gain department support for group solicitation meetings, incentives and special events.
4. Publicize the campaign – use employee publications, posters, events and email to add personal contact.
5. Kick off the campaign with special department events and activities that will motivate employees to give.
6. Ensure that materials are distributed to all employees in your department. Make sure employees are aware of available resources and benefits of the campaign.
7. Educate your co-workers about the campaign – your Department's goals, types of agencies funded, etc. Schedule and promote agency fairs/events to educate and motivate your Department.
8. Send paper payroll deduction pledge forms to the Civil Service Commission weekly throughout the campaign to: ATTN: MI HR Service Center, P.O. Box 30002, Lansing, MI 48909.
9. Employees contributing by credit card should mail their form directly to: ATTN: SECC Fiscal Agent/Campaign Director, Michigan Association of United Ways, 330 Marshall Street, Suite 211, Lansing, MI 48912 for processing.

OTHER KEY VOLUNTEER JOBS

Marketing, Training and Core Development Subcommittees

The SECC Marketing and Training Subcommittee works on an annual basis to create and distribute SECC information and materials. This Subcommittee also designs and hosts trainings for volunteers. The SECC Core Development Subcommittee works on an annual basis to ensure that the SECC operates using transparent and cost-effective campaign methods.

SECC VOLUNTEER TASKS

This is your campaign. Every success of this effort belongs to you! Volunteers are the individuals responsible for direct, one-on-one communication with state employees. It is each Department's decision on how best to reach employees through a Volunteer network to meet Department fundraising goals.

The most successful volunteer teams are those that follow these steps to create a plan, communicate that plan and then stick to it:

1. Attend training and use provided materials and toolkit.
2. Read and familiarize yourself with campaign materials.
3. Obtain campaign materials and distribute, either electronically or hard copy.
4. Interact with each employee to encourage giving and participation. Initiate the conversation and explain the campaign history and its benefits.
 - a) Encourage renewal and (ideally) increased gift from existing donors.
 - b) Encourage gifts from first-time donors.
5. Become familiar with the online pledging process so that you can be a resource for donors who need help.
6. Collect paper pledge forms other than credit card and online pledges.
7. Submit pledge forms indicating payroll deduction to Department Coordinator on a weekly basis.
8. Send checks and credit card pledges to: ATTN: SECC Fiscal Agent/Campaign Director, Michigan Association of United Ways, 330 Marshall Street, Suite 211, Lansing, MI 48912.

WHAT YOU SHOULD KNOW

Why SECC?

Let's face it, in order to keep individuals healthy, families strong, and keep our planet in top shape, it takes time, dedication and money, but too many "asks" can make donors feel frustrated and confused. Historically, that's the very reason the SECC was created, to reduce confusion and consolidate initiatives to help a number of different charities through one unified campaign.

For about five weeks in the fall, employees throughout the state are given the opportunity to participate in the state charitable campaign via payroll deduction online through your MI HR Self Service Account. Whether a person gives time, money and/or some other necessary resource through the SECC is completely up to them.

Participation in the annual SECC ensures that the most efficient and consistent pathway is being used for state employees to support our tradition of giving.

For donor CHOICE in giving, CONFIDENCE in charitable partners and CONVENIENCE of payroll deduction, the SECC is the preferred method of giving for state employees.

PARTICIPATING CHARITIES

The Michigan SECC is open to qualifying charities that meet all application requirements and deadlines set forth by the SECC Steering Committee. To protect the integrity of the campaign, each umbrella organization must possess the following documentation for itself and each member charity it represents when applying for campaign participation:

- The most recent 501(c)(3) determination letter from the IRS
- Current Charitable Solicitation Registration (License to Solicit) or exemption letter from the State of Michigan Attorney General
- The most recent available IRS Form 990, 990-EZ or Pro Forma financials
- SECC Affirmation of Non-Discrimination

Visit www.misecc.org for more information.

ENCOURAGE GIVING

Group Solicitation

A group meeting or fun event is an easy way to start the conversation about giving. It not only gives charities a chance to speak to donors but it also gives state employees the opportunities to share their stories and experiences with giving! Remember that you have a lot of help if you

need it. There is plenty of support available to assist you in organizing these meetings/events. Use resources available at www.misecc.org to make your job easier and more fun!

Before Your Campaign Presentation:

- Be prepared and know the needs of your community.
- Know how your donor dollars can be used.
- Know why you are participating and why your co-workers should.
- Ask with pride for the State Employees Charitable Campaign. Take pride in being the potential bridge for that donor from need to impact, donation to solution.

20-Minute Campaign Discussion:

- Welcome the group.
- Allow management to kick off the meeting to show their support of the crucial SECC effort.
- Present the SECC facts – The SECC is a state employee-owned initiative.
- Have a spokesperson from an SECC charity, an agency fair, an information table or other charity representatives on hand to answer questions.
- Make "the ask" – Ask employees to give through payroll deduction, by check or credit card.
- Promote choice – More than 1,200 participating organizations.
- Express your gratitude for your co-worker participation.

Individual Solicitation

Talking one-on-one with co-workers about giving is a very enriching experience. It promotes sharing of experiences and stories. Our individual conversations build relationships because they can be tailored to encourage donors to give to the causes that he or she believes in.

- Present the SECC facts. The SECC is a state employee-owned initiative.
- Educate the donor about how the SECC can help the charities they believe in.
- Choice. There are more than 1,200 organizations to learn about and choose from.
- Ask, "Is there any additional information that you need?" and "Do you have any questions?" If you are asked a question and do not know the answer, just be honest and tell them that you will get back with them once you check with your Department Coordinator.

OBJECTIONS AND DETRACTORS

Objections to the SECC will arise and are a natural part of the charitable giving process. The most effective way to handle objections is through education. Allowing individuals to express their opinion is a first step in the conversation about the great service the SECC provides and the wonderful work of the SECC charitable partners.

Other Tips:

- Deal with objections that may arise and be sure to make note of the specific objection so you can forward the question to the Fiscal Agent/Campaign Director or your Department Coordinator.
- The potential donor is not attacking you; they may just need more information to help them understand.
- Charitable giving is not a priority for everyone. People sometimes need help making meaning out of charitable giving and its benefits.
- Be confident that you have many resources in the SECC Community. Help is a phone call or email away!
