## WHAT IS THE MICHIGAN SECC?

The State Employees Charitable Campaign (SECC) was created in 1987 to combine all charitable appeals and fundraising drives into one annual event. The active solicitation period offers State of Michigan employees the opportunity to give through bi-weekly payroll deduction or one-time gifts to more than 1,000 approved charities. You can also select to be a continuous giver.

## SECC CAMPAIGN STRUCTURE

The SECC uses a campaign structure that brings groups of organizations together to collaboratively campaign on behalf of a variety of groups and causes. This is called a "Federated" or "Umbrella" campaign structure. This type of campaign keeps costs low, allows charities to share best practices and ensures that there is equal opportunity to participate regardless of an organization's size or location.

## SECC OVERSIGHT

The SECC is administered by an 8-member Steering Committee comprised of state employees. The SECC Steering Committee governs the campaign through policy and procedure and delegates campaign processes and administration to a Statewide Campaign Coordinator, Sub-Committees and a Fiscal Agent/Campaign Manager.

## SECC CAMPAIGN DATES

**SECTION D. Contribution Designation** - This section is used to designate the organization or member charity to which your contributions will be donated. There are several ways to allocate your contribution(s). The SECC Charity Listing & Resource Guide lists all of the Umbrella Organizations and their Member Charities that are participating in this year's campaign. Each Umbrella Organization is identified by a four-character alpha-numeric code (beginning with either T or U) in the Guide. Specific Member Charities are identified by a four-digit numeric code. If you would like to:

#### 1. Donate to an Umbrella Organization only (Donations will be used to fund a variety of local charitable programs and member charities.)

- Locate the Umbrella Organization of your choice in the Charity Listing & Resource Guide.
- Enter the Umbrella Organization Code and total biweekly amount (or total contribution amount) if making a one-time contribution) in the Umbrella Organization box.
- Repeat the above two steps if more than one new Umbrella Organization Code is desired.
- Proceed to the appropriate section as described in Section A.

#### 2. Donate to a specific Member Charity only (Donations will be used to fund programs of the specified member charity.)

- Locate the Umbrella Organization that your Member Charity falls under in the Charity Listing & Resource Guide.
- Enter the Umbrella Organization Code and total biweekly amount (or total contribution amount) if making a one-time contribution) in the Umbrella Organization box.
- Enter the Member Charity Code and the biweekly amount (or total amount if making a one-time contribution) in the Member Charity box. Repeat if more than one Member Charity Code is desired under the same Umbrella Organization Code (maximum of eight). Your total contribution to Member Agencies may not exceed the total biweekly amount entered in the Umbrella Organization amount box.

Example (In this example, the employee is contributing \$10.00 to Member Charity 1234, \$12.00 to Member Charity 2341, and \$8.00 to Member Charity 3412):

| Umbrella Organization | Organization Code | Total Amount | Member Charity | Member Charity Code | Amount   | Member Charity Code | Amount   | Member Charity Code | Amount  |
|-----------------------|-------------------|--------------|----------------|---------------------|----------|---------------------|----------|---------------------|---------|
|                       | T999              | \$ 30.00     |                | 1234                | \$ 10.00 | 2341                | \$ 12.00 | 3412                | \$ 8.00 |

- If you would like to donate to a specific Member Charity under a different Umbrella Organization, repeat the above steps on the next contribution designation line.
- Proceed to appropriate section as described in Section A.

#### 3. Donate to an Umbrella Organization and a specific Member Charity

- Locate the Umbrella Organization of your choice in the Charity Listing & Resource Guide.
- Enter the Umbrella Organization Code and **total** biweekly amount (or total contribution amount) if making a one-time contribution) you will be giving to all organizations and agencies in the Umbrella Organization box.
- Enter the Member Charity Code and the biweekly amount (or total amount if making a one-time contribution) for the specified charity in the Member Charity box.
- Repeat the above two steps if more than one new Umbrella Organization Code is desired. The amount not designated to a Member Charity will remain with the Umbrella Organization indicated. Your total contribution to Member Charities may not exceed the total bi-weekly amount entered in the Umbrella Organization amount box.

Example (In this example, the employee is contributing \$20.00 to Umbrella Organization T999, \$10.00 to Member Charity 5432, and \$10.00 to Member Charity 5234):

| Umbrella Organization | Organization Code | Total Amount | Member Charity | Member Charity Code | Amount   | Member Charity Code | Amount   | Member Charity Code | Amount |
|-----------------------|-------------------|--------------|----------------|---------------------|----------|---------------------|----------|---------------------|--------|
|                       | T999              | \$ 40.00     |                | 5432                | \$ 10.00 | 5234                | \$ 10.00 |                     |        |
