

Make a Difference in Your Community and Beyond

The SECC is an annual fundraising drive created 'by and for' active and retired State of Michigan employees. Each year, hundreds of thousands of dollars are raised through the SECC that benefit local, national and international nonprofit charitable organizations.

Since 1897, State of Michigan employees and retirees have raised more than \$50 million through the SECC, demonstrating their continued commitment to improving the lives of individuals, families and communities locally and around the globe.
