

Below are answers to some questions you may have about your donation and why it is ending.

Why is my donation ending?

- You may have only signed up for 1 year of recurring donations. You can easily change this in your HR Self-Service account so that your donations will continue each year. You can elect to be a 'continuous giver'. If you need assistance setting this up, call MI HR Service Center at 877-766-6447.
- It's possible the charity you were giving to did not apply this year or did not meet participation requirements. In some cases, the charity may have merged with another charity and their designation code is now different. See CHARITY CHANGES at the bottom of the page.

I signed up as a 'continuous giver' but my donation is still scheduled to end in December, what's going on?

- If you were donating directly to an Umbrella organization such as a United Way or a National/Global Federation (i.e. Global Impact, EarthShare, Black United Fund) and that charity did not apply, maybe closed its doors, or merged with another organization, your scheduled payroll deduction will end in December.

What if I signed up as a continuous giver but the charity I was giving to is no longer in the campaign?

- If you were donating directly to an Umbrella organization such as a United Way or a National/Global Federation (i.e. Global Impact, EarthShare, Black United Fund) and that charity did not apply, maybe closed its doors, or merged with another organization, your scheduled payroll deduction will end in December.
- If you were giving to a member charity under an Umbrella organization (i.e. Make A Wish Foundation, under America's Charities) and that charity falls out of the campaign for any of the above-mentioned reasons, your donation will roll up to the Umbrella charity and will continue.

CHARITY CHANGES

- The [United Way of South Central Michigan \(UC22\)](#), formerly Capital Area United Way (CAUW), has merged with the United Way of the Battle Creek/Kalamazoo Region and Jackson County United Way. The United Way of South Central Michigan now covers Calhoun, Clinton, Eaton, Ingham, Jackson and Kalamazoo counties. If you were donating to a charity under one of these Umbrellas, they may still be in the campaign but have a new code. Look [here](#) to see if the charity you were giving to is still in the campaign.
- The [Food Bank Council of Michigan/Harvest Gathering \(UA41\)](#) is not in the campaign this year. If you would like to support your local food bank or another charity that provides food and nutrition services to individuals and families in your community or across the globe, click [here](#). You can narrow your search results by selecting a specific county.

NOTE: It's always a good idea to check your donations each year, even if you are signed up as a 'continuous giver', to ensure your donation goes to the intended charity.
